

### MAKE A BOOK 2012

In February the students from 2 Dublin were involved in the JCSP Make-a-Book project. We read the book 'Once' by Morris Gleitzman and we decided to retell the story in DVD form, using stop-go animation. We submitted the project for the Make-a-Book exhibition and in March we went to see our work on display in Dublin Civic Offices in the city centre. Our DVD was a big hit with all the schools who came to visit the exhibition. It was so successful that the JCSP programme brought it to the other Make-a-Book exhibition in Cork, where all the schools from the south-west could see it too! Well done 2 Dublin!

### SEACHTAIN NA GAEILGE

Coláiste Eoin celebrated Seachtain Na Gaeilge with a table quiz in Irish. It was organised by Ms Vipond and Ms Murphy. They also held a raffle for students who had spoken in Irish during the week. Well done to all who took part.

### 1ST YEAR HISTORY TRIP

The first years had a day out in February visiting some of Ireland's most historical sites. They started their day in the Bru Na Bóinne visitors' centre in Co. Meath to see Newgrange. They then visited Glasnevin cemetery and had a tour of the graveyard.

## 6 CONNOLLY FINAL TRIP

The students in 6 Connolly had one last trip as a class. They went paintballing in Balbriggan and then went to Malahide to hang out and play football on the beach.

## PEER TO PEER

Three students from Coláiste Eoin took part in the Peer to Peer Programme during October and November. Aisling Kelly, Jessica Smart and Emily Robinson then delivered this programme to first year students in January. They were presented with certificates by Ger Brennan, a member of the All Ireland Senior Football winning team.

## NFTE

A number of students took part in the NFTE competition, which is the Network For Teaching Entrepreneurship. The NFTE programme enables students from 13 to 18 years to start up and run their own business. The following students qualified for the finals which were held in DCU on 29th of March: Michael Collins 6 Heuston, Aisling Kelly, Jessica Smart, Emily Robinson and Debbie Tyson 5 McAleese and Orlaith Kelly 2 Dublin. Good luck to all our students!

## SPORTS

It has been another busy term for sports in Coláiste Eoin. Students have taken part in competitions in basketball, swimming and orienteering. Medals were won in all disciplines.

In the orienteering, which took place in Fr Collins Park, we had 1st, 2nd and 3rd medal winners in the different categories and Coláiste Eoin won the overall team trophy. Congratulation to all who took part!
